A.A. ROUND-UP HERE IN MAY

The Drayton Valley A.A. Group is again holding an annual spring round-up on Saturday and Sunday, May 1st and 2nd. The annual event, it is hoped, will see recovering alcoholics from near and far as it did last year. Already members from all parts of Alberta as well as B.C. and Saskatchewan are planning to attend.

The annual event is open to the public, and a special welcome to any one afflicted with the illness - alcoholism, or someone near and dear to him or her.

Alcoholism can strike anyone, be it family or friend, and the

victim is, as a rule the last person aware of his own dilemma. Try as he may, promises unkept, untruths and sometime - death - his only sure way out - unless - he sees himself as he really is, admits defeat with alcohol and makes a decision for sobriety. Sound impossible?? Not at all, thousands of alcoholics are living a perfectly normal sober life without the use of alcohol.

With the help of the A.A. program, a relatively simple problem designed by recovered alcoholics, they maintain sobriety one 24 hour day at a time.

A detailed program will be printed next week.

This year's production "Broadway on Ice" drew an attendance of over 1100 for the Saturday evening performance with the Friday evening and Saturday matinees attracting over 500 and 400 respectively.

A highlight of the Saturday evening show was the crowning of Carnival Queen, Miss Vikki Wardlow by the reigning queen Miss Joanne Swendseid. Miss Wardlow was sponsored by the Producing Companies'.

Other Candidates seeking the honor were Miss Janey Geddes, the High School Candidate and Miss Janet Metelski, representing the Service Companies'.

Following an address of welcome by Mayor Lloyd McLean, all members of the Drayton Valley Figure Skating Club took part in the program that featured many selections from outstanding Broadway productions.

Featured skaters included Bonnie Mohn in "Modern Millie"; Sharon Wedman in "The King and I"; Willie Eustace in "Oliver"; Didier and Ann Coppens in "Oklahoma"; Paula Venn in "West Side Story"; Jari-Ann Home in "Peter Pan"; Michaelle Shimbashi in "Wizard of Oz"; Jim Wedman and Vikki Wardlow in "Hello Dolly"; Didier Coppens in "Fiddler on the Roof"; and Karen Kirkwood, "Mame".

The Ice Carnival is sponsored annually by the Drayton Valley Rotary Club and the Figure Skating Club with proceeds going toward figure skating undertakings in the community and the operation and maintenance of the Scout Hall, a long-established responsibility of the Rotary Club.

Rimbey Girl Wins Futurity

Fifteen year old Sherry Graham of Rimbey topped the 13th Annual Junior Futurity Show with her Aberdeen Angus heifer last week. The Junior Futurity was the opening event of the 1971 Canadian Western Stock Show and Sale in Edmonton.

Miss Graham's two year old black heifer earlier won Grand Champion honors in the Aberdeen Angus section before taking the banner for Interbreed Supreme Grand Champion.

Runner-up was the Interbreed Reserve Grand Champion, an April 1970 Charolais heifer exhibited by Rita Reich of Bashaw.

Summary Regular Council Meeting

At a regular meeting of Town Council held on Thursday, March 25th, Mayor Lloyd McLean reported on a visit with Honorable A. Holowach, Provincial Secretary. He was accompanied by Councillor Claude Albert.

The minister had asked for a meeting to discuss Drayton Valley reluctance to joining the Yellowhead Regional Library.

Mr. McLean noted that he had explained Drayton Valley's position, pointing out the Councils' satisfaction with the present library serving the community and its reluctance to give it up for an unknown quantity.

Mr. Holowach accepted the explanation and the matter still stands as it did prior to the meeting.

Council gave its approval to an application for the closing of the north-south lane between lot 24A and lots 25 and 26 in Block 1 (the lane separating vacant lots from Stedman's Store east to the corner).

On the recommendation of the Development Committee, Council decided to request West Park Development Ltd. to supply a tentative plan of the proposed subdivision in the north-west corner of the Deby farm property. The tentative plan is being requested to provide information on which to make a zoning decision.

Some discussion was held relating to the unsightly condition of sidewalks in downtown areas and the dangerous situation that exists when some proprietors fail to remove snow in front of their business places. It was decided that all businesses be advised of the content of Bylaw 361 as it

relates to responsibility for snow removal and sidewalk cleaning.

It was reported that the comfort station to be operated by the Women's Institute in the basement of the Town Administration Building, would be ready for occupancy by April 1st. It was decided that the facility would be kept locked at all times other than during the hours arranged by the W. I. when the station is under supervision.

The new vehicle and traffic bylaw was discussed and given a third reading.

A Tax Sale has been arranged for May 18th and a Committee of Councillors Mayhew, Smith and Helm appointed to set reserve bids on parcels offered for sale.

Two bids were received on an old Underwood standard typewriter and Council accepted the high bid of \$11.98 by Ross McLeod.

CHALLENGERS, CITY ALL-STARS HERE THURSDAY

On Thursday night April 8th at 8:00 p.m., the Provincial Bantam B Hockey Champs, the Burrows Motors Challengers will make their last appearance together at the arena. They will be hosting the Edmonton Maple Leaf All Stars, which is an all star team picked from the 8 Maple Leaf Double A Bantam clubs in Edmonton and coached by Bill Bucyk.

Bill Bucyk is the referee-in-chief of the A.A.H.A. and phoned for this game with his All-Star team after receiving such good reports of our Bantam Challengers from the referees that officiated the recent bantam play-offs.

It will be the toughest opposition yet for the Challengers but should be very interesting to see how we compare with Edmonton's finest. An upset - could be.

Let's fill the arena and cheer the champs on in their last appearance. A great night of entertainment is assured for the fans.

CAMPAIGN RAISES \$192

The Evansburg Red Cross campaign raised \$192, \$17 over the campaign objective of \$175, and a considerable amount over the 1970 total.

Campaign Chairman Mrs. Robert Marshall extended thanks to all who gave so generously to the cause, and to the ladies who did the canvassing, Mrs. John Lauer, Mrs. George Williams and Mrs. Edwin Schuster.

LAKE ISLE FISH IN DANGER

The Hon. Dr. J. Donovan Ross, Minister of Lands and Forests, announced last week that tests for oxygen conducted during the last few days of the water in Lake Isle indicate that there is serious danger of a heavy mortality in the fish population due to oxygen depletion. In an attempt to salvage a portion of the endangered fish population, a season is being opened to authorize fishing with gill nets.

A season using a zone commercial or a zone fisherman's licence will run from April 5th to April 8th using 600 yards of 3½ inch or larger mesh gill net.

There will also be a season using a zone recreational fishing licence from April 5th to April 12th using 25 yards of 3½ inch or larger mesh gill net.

It is hoped that by the 12th of April, 1971 spring run-off will enable any fish still alive to survive.

WELCOME EVANSBURG RESIDENTS

Following agreement between the Evansburg Village Council and The Western Review, Evansburg ratepayer's will now receive this newspaper on a regular weekly basis.

Between 400 and 500 papers will now be distributed weekly in Evansburg, Entwistle and immediate areas.

The total circulation of The Western Review is now 3,230.

BY MRS. EDITH DEBY

Funeral services were held in Drayton Valley on Saturday for Mr. Eric Edholm who passed away suddenly at his home in Summerland, B. C. Mr. Edholm was one of the original settlers of this district. A nephew, Carl Anderson, and several grand neices and grandnephews live here.

Mrs. Ted Tucker entertained in her home for her mother, Mrs. Fritz Joesting, who celebrated a birthday last week. Family and close friends were the invited guests.

Mrs. James Hewlett was called to Grande Prairie on the weekend by the illness of her father, Mr. Williams.

Mr. Donald Oscar had the misfortune to hurt his back and is likely to be in hospital for some time.

It is good to see Mr. Zubot around the store once more.

Mr. and Mrs. Perkins, of Codette, Saskatchewan, have been visiting their son-in-law and daughter, Mr. and Mrs. Vernon Campbell.

Ole Stordalsvoll, one of our district's most eligible bachelors, has begun to build a fine new home on his farm. Hmmm?

When Mr. Leslie Tucker, or Mr. Dan Bills as the case may be, takes the tractor out to smooth the arena ice all eyes follow them. On Friday evening little Dianne Eckert was taken to see

the ice carnival. When she came home her father asked "What did you like best at the carnival?" "The tractor" said Dianne.

Results of the Saturday night whist party at Dunington Hall are as follows - High, Mrs. Mikulin and Mr. Brownbill. Consolation - Mrs. Grinde and Mr. Mattson.

Mr. Brownbill and Mr. Pickavance have just purchased a new truck and camper and are all set to go touring this summer.

Sorry to hear that Mr. Louis Matlock is not recovering after his operation as quickly as could be desired.

LODGEPOLE NEWS

Promise of warm days ahead spells an end to the curling season. The local mixed play-off results brought the L. Reid rink out on top with Bill Gueka, Irene and Dennis Smith.

The Men's winners were H. Elliot rink, assisted by Doug and Bert Smith and Vern Bartlett.

After a shaky beginning early in the season the winning women's rink were Mary Reid with Marion Berglund, Rosalie Hamilton and Vicki Smith.

One rink of school students took part in the Drayton Valley Junior High Bonspiel and earned enough points to place third. Players were Raymond Berglund, Pat McIsaac, Derek Bolfanatz, Roni Schultz.

Some producers actually read the column as judged by an encouraging turnout at our recent meeting.

Sixty farmers got the facts about the virus infection called Rednose (as noted in last week's column, I.B.R.) can occur in both beef and dairy cattle but abortions appear in more epidemic proportions in beef cattle because of the type of breeding program used. For those who missed both the column and the meeting a summary is available from this office.

As requested at the Farm Incorporation meeting on March 16, we held another meeting on Will and Estate Planning with Mr. John Corbett, a lawyer who specializes in this field, answering questions. He explained the Gift Tax provisions for the Income Tax Act and pointed out the danger of undervaluing property when it passes between a father and son. A father may unwittingly make a gift (if it was not in line with comparable sales in the district) which would later be taxable with a penalty.

The group attending requested a further meeting to discuss Income Tax considerations of farm business arrangements with the services of an accountant. It will be held in the Strathcona Council Chambers on April 13 starting at 1:30 p.m.

Besides arranging and participating in meetings, we are also available to provide and interpret information on seasonal or year round farm operations. Right now, seed is a major consideration for most producers. Every year, the majority of the Cereal Seed planted in Western Canada would grade "rejected" - unfit for seed. The biggest cause of this is weed seeds. Another cause is seed-borne disease. Also important is germination and vitality - the ability to produce a strong healthy plant.

Those living within hauling distance of Stony Plain have a very good answer to the weed

seed problem with the seed cleaning plant. Producers find that this service pays big dividends in cleaner, higher yielding crops.

It is somewhat surprising that some germination tests are showing quite low germination. So it is a good idea to check your requirements now. If your seed does not stand up to germination and purity tests, perhaps you should consider some Registered or Certified Seed of suitable variety. Ample supplies of reasonably priced registered and certified seed will be available this year.

Contact our office for information regarding recommended varieties for our district and your copy of the 1971 Crop Varieties.

Muller Rink Wins Bonspiel

BUCK LAKE -- The Ladies' Open Bonspiel was held at the Buck Lake Curling Rink on March 12, 13 and 14 with sixteen teams entered. Rinks were from Drayton Valley, Westrose, Pendryl, Alder Flats and Buck Lake.

Sundance Plant Expansion in '73

The Sundance Steam Electric plant will be expanded by 286,000 kilowatts, Calgary Power Ltd., president A. W. Howard announced recently in his annual report to shareholders.

The expansion, scheduled for completion in late 1973, will double the capacity of the plant.

Last November, the company commissioned the first 286,000-kilowatt unit, built at a cost of \$50,000,000. Addition of this unit brought the company's total generating capability to 1,535,000 kilowatts.

Mr. Howard also said in his report that project costs have increased substantially on the Big Horn Storage and Power Development, slated for completion in 1972.

He said this increase is attributed to sharp and unexpected rises in construction costs, some unfavorable site conditions and the generally high cost of money.

In long-term planning of future growth of its system, Calgary Power has studied the feasibility of constructing additional thermal plants at various alternative locations throughout the service area. The company is also continuing investigations of possible hydro-electric developments on the Slave and Athabasca Rivers.

Mr. Howard says management is well aware of the need for adopting measures to minimize the effect of company operations on the environment. Thermal power stations, in their present stage of development, cannot be operated without some prejudicial effects on the environment.

"It is a major problem to determine how we can supply power adequate to meet the needs of the rapidly expanding economy of Alberta at the least possible cost and with the least possible detriment to the environment," says Mr. Howard. He explained that the company, in co-opera-

tion with various government departments, has already carried out successful reclamation of about 250 acres of land surface near the Wabamun plant, and will follow similar procedures with the Highvale Mine which serves the Sundance plant.

Funeral Service For Eric Edholm

Mr. Eric Peter Edholm of Summerland, B. C. formerly of Drayton Valley passed away at Summerland, B. C. on March 30th, at the age of 86 years.

Mr. Edholm was born at Angermanland, Sweden on November 13th, 1884 and came to Canada as a young man to settle in the Drayton Valley district where he farmed for 45 years until moving to Summerland, B. C. where he resided until his death.

Mr. Edholm is survived by three brothers Axel, Otto, Daniel, and one sister Christine all in Sweden.

Funeral Services were conducted from the Elk's Hall in Drayton Valley on Saturday, April 3rd, at 1:30 p.m. with Brother Earl Thompson officiating. Interment followed in the Drayton Valley Cemetery.

Rock Opera

For young couples, teenagers and any adults, in keeping with the theme of world-wide mourning on Good Friday, the rock opera will be played in St. Anthony's Church at 7:30 p.m. on April 9th.

Teens are working on special effects (blackout curtains, lighting, etc.) to make it more meaningful. No collection - no preaching - come and go as you please. Bring cushions or pillows. Everyone welcome.

Report From Parliament Hill

By Allen Sulatycky, M.P.

The economy of Western Canada has moved well beyond its former dependence on wheat and other grains. But despite rapid industrialization and diversification of the economy, few citizens of the Prairie Province can escape totally from the impact which the grain trade makes on this region of Canada.

Because experience has demonstrated that a healthy grain industry is essential to the western economy, the Government has formulated a plan to stabilize the income of prairie grain farmers.

The Honourable Otto Lang, Minister responsible for the Canadian Wheat Board has announced the formula for this new endeavour.

The objective of this plan is to protect the prairie farmer and the economy of the prairie provinces which rely so heavily upon him for the extreme fluctuations in cash receipts from grains which result from volatile and unpredictable world market conditions.

By providing a Stabilization Program the Government will substantially reduce the adverse effects flowing from the unpredictability of the market. In addition the Government's contribution to the program, which

it is anticipated will average about \$40 million per year initially and increase gradually as total sales increase, will assist Canadian producers to a limited extent to meet the competition of highly subsidized production from other countries.

The Prairie Grain Stabilization Plan would pay to grain farmers who hold Canada Wheat Board permit books in the year for which payment is made, an amount equal to the difference between total eligible farm cash receipts for that crop year and the average of such receipts for the preceding five years.

The effect of the plan would be to eliminate the great fluctu-

ations in cash receipts experienced by grain growers. It will result in a more even flow of funds into the western economy.

As an initial step to please in the new program, a payment of \$100 million will be made to prairie farmers this summer. This amount will certainly be a welcome boost to all business in the West.

In addition to the stabilizing effect on the economy as a whole the grain plan is important to other producers. Livestock producers, whether hogs, poultry or cattle, will find that in future when marketing conditions are bad for grain there will be much less of a tendency for grain farmers to move into livestock production as a means of disposing of their unmarketable grain. The cash which they will receive from the Stabilization Plan will remove from the grain grower the kind of extreme financial pressure he was under in the past two years and permit him to hold his stocks until the markets improve.

The plan in itself goes a long way towards the realization of the long-sought Agriculture policy for Canada.

LEGISLATIVE REPORT

By Kevin Peterson and Don Sellar (Of the Calgary Herald)

The Social Credit government's reorganization plans reached the implementation stage April 1, when Premier Harry Strom filled cabinet and senior administrative positions.

The premier named 44 year old J. D. Henderson to the new environment department portfolio which will have an administrative staff of 300 to conduct the government's anti-pollution campaigns and implement its multiple-use doctrine in resource areas.

At the same time, Ambrose Holowach, 56, was sworn in as Culture, Youth and Recreation Minister. He had held the post of Provincial Secretary until it disappeared with the reorganization plans.

Mr. Henderson, a petroleum engineer, has earned a reputation for tough talk and action since he took over the health department on May 20, 1969. He will likely continue as health minister until the cabinet proclaims legislation merging the health and social development departments, likely in a month to six weeks.

Mr. Holowach, who has held the provincial secretary's post since 1962, joined the Legislature in 1959 after serving two terms in the House of Commons.

The new Hospital Services Commission got its first chairman the day the cabinet changes were announced. Dr. J. E. Bradley, 53, is chairman of the University of Alberta board of governors and executive director of Edmonton's Glenrose Hospital and will earn \$30,000 a year in the new post.

Environment Minister Hendersor moved quickly to fill the deputy minister's slot in his new portfolio, naming current deputy agriculture minister Dr. E. E. Ballantyne to the position. Dr. Ballantyne, however, will not be able to fill the position for three or four months because he is in an Edmonton hospital recovering from a heart attack.

A new deputy agriculture minister is expected to be named shortly. In the meantime, Don Potter, executive assistant to Agriculture Minister Henry Roste, is serving as acting deputy minister.

Also during the week, 18 to 21 year olds in the province gained new rights and responsibilities when Lt.-Gov. J. W. Grant MacEwan signed into law the government's age of majority act.

Some 90,000 youngsters were added to the voters and potential drinkers list by the new law. The 18-year-olds will now be allowed to vote, run in school board, municipal and provincial elections, and get married without parental consent.

The House also spent a full day in emergency debate concerning the possibility of a national rail strike, finally voting unanimously to demand the federal government do all it can to prevent a walkout and get trains moving again.

Members of both the government and the opposition stressed a work stoppage will harm all Albertans, particularly grain producers, at a time when grain marketing is making progress.

Editorial Comment

A.A. Can Help

Alcoholics anonymous is a fellowship of men and women who share their experience, strength and hope with each other, that they may solve their common problem and help others to recover from alcoholism.

The only requirement for membership is a desire to stop drinking. There are no dues or fees for A.A. membership; it is self-supporting through members' contributions.

A.A. is not allied with any sect, denomination, politics, organization or institution; does not wish to engage in any controversy; neither endorses nor opposes any cause. The members' primary purpose is to stay sober and help other alcoholics to achieve sobriety.

Priorities Needed for Taxes

The increase in government spending in the past decade has been phenomenal and in most ways this has been a necessary and good investment in the future.

Today, for example, more than 20 percent of total government spending in Canada goes to education, and health care costs have increased from \$60 per capita in 1955 to almost \$170 per capita in 1967. By 1975 they could double.

The Economic Council of Canada makes this frightening forecast: "If the rate of increase of the past five years were to continue unabated these two areas of activity alone would absorb the entire national product before the year 2000" The rate of increase will have to be abated, and now we can realistically expect that the worst is over in capital expenditures for education and health facilities.

But now the time has come to take a closer look at public spending, at our priorities and at the way public money is managed and by whom.

And it is becoming increasingly apparent that our money must be managed more efficiently. There also is a critical need for us to establish goals and priorities in spending. What are they?

They must be established. And along with them a new and more equitable way to pay for them. The time has long since passed for a restructuring of our tax system. It is time that corporations and industry and people in what appear to be tax protected positions pick up more of the tax bill.

If not, that worn cliché will become truer than ever: "The rich get richer and the poor get poorer."

SPRING ...it's time to freshen up

LETTERS

TO THE
EDITOREditor
The Western Review

Dear Sir:

In today's society recreation is becoming more prominent with each passing year. The need for recreation in all its forms has reached fantastic proportions. The people of today work less hours and have a need of something to occupy their leisure time.

As youngsters up to the time we leave our various educational institutions for the majority of us this consists of High School, we all participate in some form of recreation. These activities could be anything from Boy Scouts to hockey or volleyball. As we become older we digress into a state of laziness and become a spectator, either at home in front of a T.V. or as many in Drayton Valley to a hockey fan.

"What is the problem?" The problem is that more and more persons between the ages of 18 and 30 years are not able to find things to do. This is a product of non-communication with their local sources of recreation and a lack of initiative to go forth and establish a recreation suitable to their talents.

On entering many local houses one is confronted with trophies and other symbols of past prominence in some form of recreation. If asked about these mementos the possessor will most assuredly enlighten an inquisitor of glorious past events. The disturbing fact is that this same possessor is probably a spectator.

The purpose of this short precis is to request that members of our community check their status and perhaps influence a decision by each reader to draw back to being a participant from the status of spectator. Participating is not merely becoming a star player in some sport. Participation can be as a Boy Scout instructor, a referee, a coach, organizer, a statistician, an announcer, a judge and many other persons not actively participating but every bit as essential to the functional operation of community recreation.

The persons especially suffering from our present attitude of spectatorism are the youngsters. They lack proper supervision in all the above categories. They are always in need of adult assistance in all their various activities from Boy Scouts to hockey. We do not need to be experts or exceptional athletes to assist our youngsters. What we need is the realization that our children need help to maintain programs at recreation. They in turn must be taught their responsibilities to their youngsters and take over as they become parents and adults. This is best done through example rather than lecturing.

Now the question is "How do we become involved?" We contact our local Recreation Department and inform him at what faculty of Recreation our aptitudes might be. He can then direct us to persons already involved in this particular faculty of recreation. If none are presently operating in our community he can assist us to locate others

of like interests and provide us with the information and assistance to start a program in recreation of specific interest to us.

We must assist today's youngsters and support them in their efforts to FIND something to do. As the summer approaches we will have numerous youngsters involved in baseball. Some of these drop out each year because they have to sit on the sidelines due to lack of personnel to handle the increase in youth population. It is apparent that we have less supervisors and more children and spectators each season. With this problem beginning to dominate every recreation it is possible that we could develop a race at spectators.

It will be a sad achievement for our community if a dormant 12 year old Willie Mays or a Gordie Howe of the future does not get a chance to develop because the adults of the community cannot spare time to instruct and organize Recreation for their children.

Don't wait for someone to ask you to volunteer.

John Oman

WABAMUN
NEWS

Mr. and Mrs. M. Romaniuk are the proud grandparents of Michelle Leigh who is the daughter of Mrs. and Mrs. Ruben Fuhr and she weighed 6lb. 9 oz.

The Catholic Church in Wabamun held a dinner for their members in the Jubilee Hall in Wabamun last week. Guests were Father Cordeau and Father McGuinness. All enjoyed themselves very much.

Our sympathy goes out to Mr. and Mrs. J. Labuda at this time in the loss of their baby daughter.

A few of the Wabamun W.I. members celebrated their birthday in March. Hope you had a nice day Mrs. Freida Woollard and Mrs. E. A. Bryant. Mrs. Pat King is the only member to celebrate a birthday in April, so we wish you a happy birthday Jean.

Mrs. Adolph Loyer spent a few days in Edmonton baby-sitting her grandchildren recently.

Mrs. W. Stecyk of Ascot Beach was the lucky winner of the jackpot at Darwell on March 27th. Good luck Chris.

Mrs. Irvine Weins of Revelstoke, B.C. spent a weekend with her father Mr. George Lindsay a week or two ago.

Under the Parkland Recreation, Mrs. Netti Wanner will start a class in Art and Sketching out of doors Tuesday, April 20th at 7.30 p.m. also on Saturday, April 24th at 10 a.m. For information please phone 646-2428.

I am sure those that are interested will be pleased to know that Mrs. Wanner is carrying on with these classes.

Mr. and Mrs. L. Burke and family visited at the latter's parents Mr. and Mrs. R. T. Ward last Thursday from Rimbey.

Parkland 4-H Council
Verifies Speaking Finals

Parkland 4-H Council members held their meeting on March 29th at Smithfield Hall. President Oliver Smith chaired the meeting and Laura Roberts, now appointed Secretary took the minutes.

Matters which were discussed were Edmonton Regional and Northwest Region fees. These are paid in full for all the clubs in the council. Some thought is being given to keeping more funds in reserve for expenses when special projects arise, such as workshops, and exchange trips.

A report on the Valentine Dance was heard. \$916.49 was realized from the project, to be turned over to the Crippled Children's camp.

Public speaking projects were discussed and dates verified. The western half of the council will have its public speaking in Seba Beach School Auditorium on April 10th. Clubs to be represented at this time are Lobstick Beef, Drayton Valley Beef, Moon Lake Beef, Sundance Beef, Tomahawk Beef, Entwistle Clothing, Pembina Field Crops, Sundance Garden, and 16A Tractor, Sundance Beef and Sundance Garden Clubs are hosting.

The Eastern half of the council will hold its semi-final speaking on April 18th at Memorial High School Auditorium at Stony Plain. Clubs to be represented there are Winterburn Light Horse, Spruce Grove Multi, Fallis Automotive, Duffield Clothing, Duffield Beef, Lakemere Beef and White Rose Beef, Spruce Grove Multi are hosting.

It was noted that Mrs. Peggy Hoffmann is no longer leader of the Duffield Clothing Club due to the fact that she has moved away. Mrs. O. Smith has taken over the leadership.

The council public speaking finals will be held in the Duffield School on April 17 and the Northwest Region Finals will be held in the Spruce Grove Serplex on April 23. Mr. Andrews outlined the procedures that will be followed at the Northwest Finals and each club

hosting their particular level of public speaking are to use their own discretion as to what procedures will be followed.

Holding of the annual rally was discussed. Eight of the clubs present indicated that they would participate in the annual event where clubs from the council meet and entertain each other with sing-songs, skits, etc. The date for this year's rally will be May 1st and it will take place in Evansburg. Titles of club skits are to be sent to Mrs. Bruner, Evansburg, by a week before the rally date so a programme can be made up.

Interclub activities which have taken place since the last meeting were curling and bowling in Drayton Valley where everyone reported a jolly time and curling in Thorhild where two rinks from the council went and reported having had a fine time.

Junior summer camping at Camp He-Ho-Ha was discussed and fees for this summer were set. This is a three and a half day camp for 12, 13 and 14 year old members and takes place in the last part of August. Clubs are being assessed \$1.00 per member for this camp and fees should be sent to Mrs. Dorothy Rigney, Bon Accord before April 15th.

Where clubs fail to pay the per capita fee, a member may be sent but he or she has to pay \$26.00 for the camp.

Mr. Rick Andrews spoke on workshops which the council could possibly hold and gave out questionnaires to be filled out regarding the workshops thus far attended.

Beef judging for the west half of the council will take place on April 13 at Ken MacKenzie's farm near Drayton Valley. For the east half, beef judging will be held at Rolling Acres Farm near Stony Plain, on April 15.

It was also noted to the leaders present that the trophy donated by Mrs. Woods for the best secretary's book will be presented at the public speaking finals at Duffield.

The next council meeting date will be announced later by the President.

PLAN BLOOD DONOR CLINIC

The regular meeting of the Hospital Auxiliary was held on March 11th with a good attendance and three new members. There will be a blood donor clinic at the Town Hall on April 21st.

The group is planning to hold a Tea and Arts and Crafts display on Saturday, May 8th. Further plans for this event will be discussed at a meeting on April 5th of the executive.

The next regular meeting will be held on Thursday, April 8th, anyone wishing information about the Auxiliary please phone Ann Eustace 542-3252 or Marlene Samis 542-3176.

Funeral Service Held For Mrs. Barbara Law

Funeral services were held from the Drayton Valley Church of God on March 31, 1971 for Mrs. Barbara Law. Reverend Donald Snell conducted the service and Mrs. Snell was organist. Pall bearers were the Messers Edward Hines, Lylle Beckett, Dan Bills, Nick Urchysyn, Carl Anderson and Henry Deby. Interment was in Drayton Valley Cemetery.

Mrs. Law leaves two daughters: Mrs. John Danderfer (Jean) and Mrs. Richard Block (Irene); three sons: Norman and John of Drayton Valley and Frank of Calgary; a brother, John MacKenzie and two sisters, Miss

Margaret MacKenzie and Mrs. Schurman all of Drayton Valley; also eleven grandchildren. Mrs. Law was predeceased by her husband in 1968.

Mrs. Law was born Barbara Jean MacKenzie in Halifax, Nova Scotia. As an infant she was brought to Alberta with her parents and settled near Lethbridge. Later the family moved to the Vermilion district.

Mrs. Law attended Camrose Normal School and in 1928 she married Francis Henry Law of the Paradise Valley District. Mrs. Law had become a penmanship specialist and during her high school years she won the Alberta Championship in this subject.

During the years she taught in Drayton Valley, and no doubt elsewhere, she added greatly to the pupils' enjoyment of extra curricular activities by teaching folk dancing and gymnastics. Her classes won consistently at the Musical Festivals in these subjects.

During the mid-fifties failing eyesight compelled Mrs. Law to give up teaching. In spite of the total blindness that was her lot she employed herself usefully. Not only did she do her own housework, she baked bread and made patchwork quilts which will be treasured by the grandchildren who received them.

By those of us who have had the privilege of her friendship she will be sadly missed.

ENTWISTLE NEWS

Mr. and Mrs. N. R. Gylander left for the U.S.A. recently to attend the funeral of Mrs. Gylander's brother.

At the Elks whist drive which was held on March 27th there were six tables of players. The winners were: - Ladies - 1st, Mrs. B. McKenzie; 2nd, Mrs. Messenger; and Consolation Mrs. Bullock. Mens - 1st, Shirley Sullivan (playing gent); 2nd, John Oliver; and Consolation, Mr. McKenzie. Traveling prize, Leo Saretsky.

The next whist will be played on April 10th.

Five teams of curlers from the Entwistle School held a small bonspiel on Saturday, March 27th. Cliff Jevne came out on top with Jerry Treit coming second. A lovely banquet was enjoyed by all teams which was looked after by the parents.

Two teams of curlers attended the bonspiel for the Seba Beach High School on Saturday, March 27th. These two teams won trophies and they were skipped by Dale Willoughby and David Oliver. Congratulations kids.

Gary Relling won a trophy for being the highest scorer at the Basketball Tournament on Saturday, March 27th. Congratulations Gary.

Don and Maureen Smith and family of Edmonton spent the weekend at the home of Mr. and Mrs. Dawson Smith.

The Entwistle School basketball teams had some exhibition games with Darwell on Friday, March 26th. The girls were beaten by the Darwell girls but the Entwistle boys beat the Darwell boys. Gary Relling and David Oliver were the referees.

At the Elks Bonspiel which was held at Wildwood on March 27th and 28th, Mr. B. Davies and Dave Gylander's team played off for the second event. Bill Davies

team were the winners and Dave came in second.

The Entwistle Home and School annual Mother's Day Tea, Bazaar, and Bake Sale will be held on Saturday, May 1st in the Entwistle Community Hall from 2:00 to 4:00 p.m.

The sale will consist of the following: tea table, bake table, bazaar items, plant sale, fish pond, raffle and door prize. Mother's Day room -- for the children to purchase a gift for Mum.

We are asking for your help to supply items for one or more of these tables. Anything you are able to contribute will be greatly appreciated. Thank you very much from the Bazaar Committee.

The Entwistle Curling Club will be holding an Auction Sale in the near future. Watch for the date which will be announced later. Anyone having articles may leave them at Lil Hanson's or Meg Swinnerton's.

PARKLAND NOTEBOOK

ADVANCED POTTERY WORKSHOP

The instructional Pottery Workshop scheduled for April 13th, will be postponed a week due to Easter Holidays.

Anyone attending, please bring a working sketch for a Teapot. Consider function as well as design.

OUTDOOR SKETCHING AND PAINTING CLASSES

Spring is just around the corner (hopefully). This year the Parkland Regional Recreation will be offering special spring classes in sketching and painting, starting the middle of April. The first session will be spent indoors, drawing and sketching and when the weather warms up, you will move outside; painting some of the beautiful countryside in the Parkland area.

THE WESTERN REVIEW

PHONE 542-3425 DRAYTON VALLEY, ALBERTA

Reeve's Report

At the annual ratepayers meeting of the County held March 20, the consensus of opinion was that the ratepayers would like a monthly report of the highlights of County affairs and explanations of certain decisions. With this in mind, and through the courtesy of The Western Review and Stony Plain Reporter, I will endeavor to provide a monthly newsletter covering events of the previous month.

The month of March has been a hectic one. Schools and school issues have taken a great deal of time. We interviewed applicants for Assistant Superintendent in charge of personnel and selected Mr. Robert Toews, former Superintendent of Lac Ste Anne, for the position. We also interviewed applicants for Assistant Superintendent in charge of curriculum and will fill this position shortly. We received tenders for the schools at Drayton Valley and Stony Plain. The successful bidders were for Drayton Valley, Camwill Construction of Edmonton at a price of \$734,227 and at Stony Plain, Briden Construction of Edmonton at a price of \$467,687. Work will commence on both as soon as conditions permit.

With the additional people coming on staff, we have again run out of office space. We have therefore decided to build an addition on the office building, which was designed in the original building, and will be calling tenders shortly. The cost will be approximately \$100,000 and will be paid for from last year's surplus, so will not affect this year's budget, or curtail any programs.

We also purchased a loader at a cost of \$26,000 for use in the western area of the County and feel this should improve our gravelling program this year. We are now working on the 1971 Public Works program and should have it finalized shortly.

We continue to receive offers for purchase of County owned land. It is Councils' policy that land must be sold by tender, and we will probably offer some lands for sale by tender later in the spring.

You may have noticed the passing of a road ban by-law. This is a blanket by-law but affects only those roads that are posted. Roads will be posted only when it appears necessary to prevent undue damage.

The Assistant Agricultural Fieldman resigned last month and this position is being advertised. Also for information, in an effort to provide better service, the Agricultural Fieldman has set Wednesday of each week as office day in Drayton Valley. He will be in the county building in Drayton Valley from 10:00 to 3:30 each Wednesday. His office days at the County Office are Monday and Thursday.

A highlight of the month was the annual meeting. I feel it was very successful and I appreciated the good turnout. I especially appreciated the unanimous support given the motion that we oppose the proposed assessment pooling legislation, as it was

completely in accord with your council's feelings, and strengthened our position. I am pleased to

report that the legislation will only be introduced, and tabled for a year. We sincerely trust it will then be dropped as Mr. Colborne has stated "that if the majority of municipalities are opposed, it will be dropped".

In order to make this monthly report more meaningful, I would ask you to send in your comments and suggestions. Also any questions you would like answered or topics you would like discussed. In this way, hopefully, it will

serve the purpose intended which I believe is to keep the ratepayers better and more fully informed of your affairs.

Sincerely,
Les Miller

COLOR EXTENSION PHONES DO A LOT FOR A LITTLE

Housewife's stomp is what you get from always running to answer the phone. In a one-phone home.

You know the story. You're at the far end of the house changing your dress and the phone rings. By the time you slip into something, dash down the hall, trip over the rug and answer the phone, all you get is a dull buzz. So you stomp, stomp, stomp your little housewifely foot.

Well, give your husband the whole tiresome story. And if he doesn't listen, if he doesn't get you a colorful, color extension phone for as little as \$1.25 a month, banish him to the dog house.

Girl Guides Pass Tests

The Drayton Valley Girl Guides have finished their home nursing test. Guides who passed were: Jari-Anne Home, Dinene Tyler, Laurie Albert, Gerry Thomas, Sharon Lememeyer, Denise Lenuik, Barbara Howe, Susan Gerke and Delene Janiskewski.

The Girl Guides have also taken their test for the Emergency Helper Badge. Those who passed were Jari-Anne Home, Barbara Howe, Denise Lenuik and Sharon Lememeyer.

The Guides would like to thank Marshall Wells Store, Mr. McCarmey let us use one of his Tapen Stoves to cook the pizzas. Everyone enjoyed the sale and we made a profit of ten dollars. We are using our profits to make tray favors for the hospital at Easter time.

Weekly Livestock Report

The Edmonton weekly livestock report for the week ending April 3, 1971 provided by the Livestock Division, Canada Department of Agriculture

SALES	CATTLE & CALVES	CATTLE	CALVES	HOGS	SHEEP
This week (est.)	6750	4550	2200	3700	260
Last Week	5711	4028	1683	2662	45
Same Week (1970)	5935	4272	1663	3823	163

SUMMARY

Sales of replacement cattle and stock calves were about 1,000 head higher this week comprising about 80% of the cattle and calves on offer. Offerings of slaughter steers, heifers and cows were lower accounting for about 20% of sales. Trade opened active at higher prices for slaughter classes but closed sharply lower due to the impending rail strike. Heavyweight slaughter steers and heifers for local trade were off 50 cents or more in the closing rounds with heavier weights and butcher cows for eastern markets off 1.00 and more. Bulls generally steady. Veal steady to firm.

SLAUGHTER CATTLE AND CALVES

Slaughter prices opened the week strong for the available supply of slaughter steers, heifers and cows on offer. One package of choice handyweight steers sold to 33.00 Monday, the highest quotation since June, 1969.

There were insufficient numbers of strictly choice steers or heifers on offer in closing trade to establish reliable quotations. There were sales to 31.50 for good quality kinds. Butcher heifers were selling over a wide range with heavier weights more heavily discounted. Light weight butcher heifers 700-750# were selling slow under a weak demand. Good butcher cows opened steady selling freely to 21.50 but were off sharply at mid-week to close at a practical top of 20.00 with the odd sale to 20.50. Lower grades of cows were in fair demand at prices about 50 lower as the week closed. Bulls scarce at prices steady for the quality on offer. Veal firm to higher in spots.

REPLACEMENT CATTLE AND CALVES

Good green replacement classes of steers and calves sold actively to fully steady prices while fleshy kinds which are on the increase, especially fleshy yearling heifers, sold slow under a weak demand. There were a few light weight stock calves selling over quotations.

SHIPMENTS

Last week's cattle and calf shipments off the Edmonton Public Stockyards were: East - nil; West to B. C. - 12 slaughter; Export 27. Feeders to southern Alta. areas - 1200.

CLOSING QUOTATIONS (1970 Quotations in Brackets)

Annual Banquet Held at Alder Flats

ALDER FLATS -- The annual Mother and Daughter, Father and Son Banquet for Brownies, Cubs and Guides, was held Monday evening, March 22nd, in the Community Hall. Master of Ceremonies for the evening was Mr. Howard Pearson. After grace was said by Mrs. Schaurete, everyone enjoyed a delicious turkey supper. The tables were decorated in a Nature setting.

Following supper, Mrs. Shirley Shanks introduced the Guests and Leaders. The Toast to the Queen was proposed by Guide, Heather Shanks; Toast to the Founders by Guide Karen Larsen; Toast to the Mothers by Brownie, Marilyn Grant; and the Toast to the Fathers by Cub, Glen Robinson.

Mrs. Grant then thanked the kitchen help and presented them with a gift for their voluntary help in serving supper. They were Mrs. Lois Robinson, Mrs. Eileen Dunn, Mrs. Elsie Seely, Mrs. Anne Olsen, Mrs. Gloria Bratland, Mrs. Geneva Patton, Mrs. Connie Maclean and Mrs. Doris Tugwell.

Mr. H. Schaurete introduced Constable Fetterly of the Breton R.C.M.P., who was invited by the Cubs to be their guest speaker. Constable Fetterly gave a very interesting talk about our Responsibility as Citizens. Terry Hayduk thanked Constable Fetterly for coming and presented him with a gift on behalf of the Cubs.

As the Brownie and Guides speaker was unable to come Mrs. Shanks read a story about Brownies and Mrs. Hayduk told a story about "A Week at Guide Camp". Mrs. Shanks presented Brown Owl Mrs. Grant, Brownie helper Mrs. Doris Peterson, and Guide Captain Mrs. Joyce Hayduk with a gift in appreciation of their work with Brownies and Guides.

Cub Master, Mr. H. Schaurete and Cub Leaders Mrs. Schaurete

and Mr. R. Hare made the following presentations to the Cubs, Crests and the key to Cubbing to the new Cubs, crests and ribbons saying Farewell to Cubbing to the Cubs who will be moving up next year.

The Guides were presented with their new Patrol Emblems and the following Badges were given; The Child Care Badge to Sherri Moore, Sandra Sluchinski and Karen Larsen. The Hostess Badge to Heather and Susan Shanks. The Brownies led the entertainment part of the program with two songs followed by the Cubs with a poem by Donald Hayduk titled "A Bully Slum", two skits and a song by the group. The Guides dressed as Hillbillies presented a pantomime orchestra with some very unusual instruments. This was followed by a square dance and three songs. All three groups did a marvelous job of entertaining the parents and guests. The evening closed with the Brownie Grand Howl, the Cub Grand Howl and Taps sang by the Guides. The evening was thoroughly enjoyed by all present.

ALDER FLATS NEWS

Saturday's stormy weather didn't keep everyone away from the Legends Annual Klondike Dance, March 20th. They attended from as far as Edmonton, Leduc, Swan Hills and Drayton Valley. The prize for the best dressed couple was won by Mr. and Mrs. Neil Clemmer of Swan Hills. First prize for ladies went to Mrs. Allene Clemmer, second to Mrs. Mayhew of Drayton Valley and third to Mrs. Bright of Drayton Valley. First prize for Best Dressed Man was awarded to Mr. Morris Dunn, second to Mr. Bright from Drayton Valley and third to Mr. Mayhew of Drayton Valley. The judges were Al Groulx of Drayton Valley Mr. Highland of Warburg and Mrs. Szkaluba of Alder Flats.

Francis and Elgin Nicolls celebrated their wedding anniversary on the 20th of March. Len and Mavis Schultz and boys and Dennis Nicolls of Red Deer were home for the occasion.

Several couples surprised Al and Connie Maclean when they dropped in to help them celebrate their anniversary on the 23rd of March.

Grant Sluchinski's rink won second in the Mixed Bonspiel the

past weekend at Buck Lake. Curling with Grant were Eva Haggart third, Grant Sluchinski second and Verle Sluchinski lead, the boys received binoculars and the ladies electric hair curlers.

Dexter Johnson's rink won first in the third event receiving Tackle Boxes for the boys and Clothes Hampers for the ladies. Curling on the team with Dexter were Bernice Johnson third, Ross Larsen second and Louise Scrybalo as lead.

Jim Capaniuk is attending school at NAIT in Edmonton where he is taking a three year course in apprenticeship for a Motor Mechanic.

John Capaniuk has returned to work out at the Big Horn Dam. Robert Hansen is employed at the Gulf Oil Gas Plant at Rimbey.

The Curlers Ball will be April 2nd.

The Easter Ham and Turkey Bingo will be held April 7th.

Mrs. Ethel Janke had surgery in the Drayton Valley Hospital last Friday.

The Lawrence Hoflins spent the weekend at Rosalind at the

Orr home. Sunday most of the families gathered there to help Mrs. Orr celebrate her birthday.

The boys employed on Beaver Rig 2 are home now for spring break-up.

There will be a special guest speaker at the Covenant Church next Sunday. You are extended a cordial invitation to attend.

Alex, Diane and Alana Lee and Byron Larson of Edmonton were weekend visitors at the Lars Larsons.

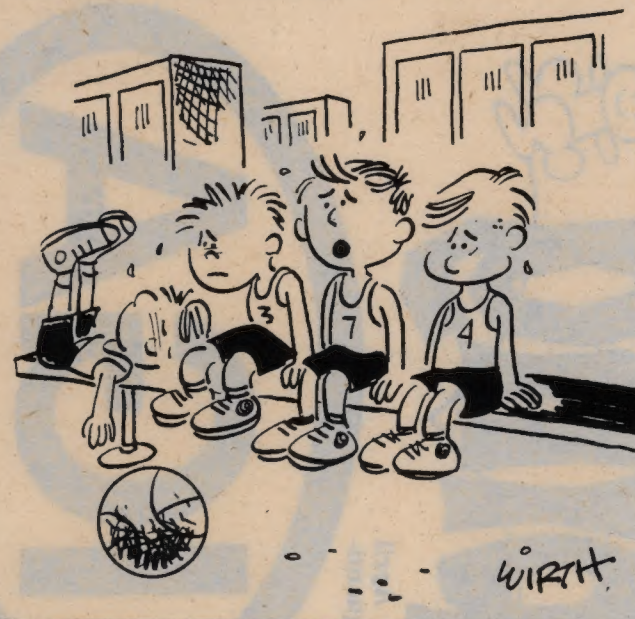

Library Site Still Uncertain

A site for the new Yellowhead Regional Library will probably be chosen at the April 8 meeting of the board in Stony Plain.

Leduc has made a firm bid for the building, which would be located on the same site as the proposed new civic complex.

Spruce Grove and Stony Plain are also seeking the library for their towns.

THE HOME TEAM

"Whoever said desire alone wins games didn't have a centre three feet tall!"

SUB-MITS

FROM THE ELEMENTARY SCHOOL

Too seldom we, as teachers have opportunity to display to the public the exceptional work of children. Here is some poetry written by a grade two boy in Mrs. Harrison's room. I think that you will agree that it shows talent. His name is Duane Gillis.

COLORS

There are lots of colors in the world,
Some for boys and some for girls.
Purple is the color of the robe of the queen,
Then, there's another color, green
Green is for the vegetables that grow,
And the corner light that is go.
But there's another color, not just green,
Brown is the color that I mean.
Brown like the horses and the deers
And like sun-tanned little ears.
Then, there's another color, not just brown,
Red like lips, turned in a frown,
And like apples in a pie,
But now I have to say goodbye.

LIMERICKS

I know a big boy named Duane,
Who went in sky with a plane,
But he went bump, crash,
And then boom, bash,
And now he has a pain.
I know a girl named Terri,
Who had a boyfriend named Jerry.
He bought her a ring,
She did dance, and sing,
And now they're going to marry.

THE EASTER EGG

Once I saw an Easter egg, sitting
on the walk,
I picked it up and cracked it and
then heard something talk.
It was little and soft, brown and
cute,
And nibbled a hole in my father's
boot.

It was a bunny, Oh what fun!
All I want is another one!
We went in show business, What
a hit!
A singing bunny, and I taught it!
I made him some pants, and sewed
up the seam,
But then I found out it was just a
good dream!

LOCAL INTEREST IN TREK TO N. POLE

Russell Hall, a brother of Doug Hall who teaches at Frank Maddock High School, was a member of the party making the first dog sled trek to the North Pole since Admiral Robert Peary's historic journey in 1909.

The 18-man expedition, led by Italian explorer Guido Monzino, set off from Upper Ellesmere Island on March 1st and expected to reach the pole within five weeks.

Mr. Hall, a Game Management Officer for the Northwest Territories Government, makes his home in Yellowknife.

Banquet Closes Hockey Season

EVANSBURG -- A pot-luck supper by parents following an enjoyable winter of hockey was held on Wednesday, March 31 in the Evansburg Legion Hall. Approximately 140 players and parents attended.

Master of Ceremonies Nigel Aspeslet, Chairman of the Recreational Board, introduced Mayor Dompnier, who presented greetings on behalf of the Village of Evansburg.

George Baber, area recreational representative for the County of Parkland was then introduced.

Mr. and Mrs. Keddle were introduced and later films were shown by Mr. Keddle.

Nigel Aspeslet spoke on the formation of an Amateur Athletic Association for hockey and baseball with Evansburg and Entwistle working together.

Fifty-one boys played hockey during the past season with 25 boys from Entwistle and 26 boys from Evansburg.

Plaques were presented in appreciation, to the coaches and managers.

Evansburg Rexall Drugs Mites, sponsored by the Rexall Drug Store, and the Ivan Brown plaque were presented by Jim Soliski. The Mite captain, to coach Byron Brown. Ivan Brown presented a plaque to manager Ron Coulombe.

The Entwistle Elks Pee Wees plaques were presented by Captain Clifford Cameron to coach Jim Hunter. Carl Bjornstad, Elks representative presented a plaque to Manager Robert Payne.

The Evansburg Kinsmen Bantams plaques were presented by Cameron Deardoff (Captain) to coach Ed Knudsen. Fred Soliski, Kinsmen representative, presented a plaque to manager Robert Deib, who was not able to attend and was accepted by Mrs. Deib.

Guest speaker was Father Leo Cordeau who is also a member of the Evansburg Legion Senior team.

A most inspiring speech was given by Father Cordeau to his fellow players, and to the parents from a man who truly loves hockey and enjoys working with his fellow man.

Father Cordeau then presented key chains to everyone's friends, the referees, Guy Coulombe, Nigel Aspeslet, E. Knudsen, Dale Law, Fred Soliski and Keith Lorenz.

The films were then shown, although the one on hockey was not available, a very informative one on baseball filled in and was enjoyed by all.

Thank you to everyone for making the evening a very successful one, and a special thank you to the Legion for the use of their facilities.

FALLIS NEWS

Mr. and Mrs. Mashtaler motor-ed to Edmonton last Friday to visit with Mrs. Mashtaler's sister.

A tupperware party was held at the home of Mrs. Carol Mickel of Fallis on March 26th at 1:30 in the afternoon. Julie Kacheski, a dealer for tupperware from Edmonton demonstrated the different kinds of tupperware and their many uses around the house. Mrs. Mickel prepared and served a delicious lunch for the ladies who attended.

Visiting at the home of Mr. and Mrs. McCulloch were Mr. and Mrs. John Egniski from Edmonton.

Visiting at the home of Mr. and Mrs. Mashtaler were: Mr. Holosney, of Gainford, Mr. Holosney's sister, Mrs. Mysliski of Magnolia, and Mrs. Mashtaler's sister Mrs. Smigelski from Edmonton who will be staying with Mr. and Mrs. Mashtaler for about a week and a half.

The annual mixed Students' School Bonspiel was held at Seba Beach Lake Side Curling Rink last weekend with some of the winners being from this area. They were Wendy Gunther who received a trophy for winning first in the second event, Dianne Yakimovich who received a trophy for winning first in the first event, and Russel Orschon who received the "crying towel" for his event. Congratulations winners.

Get well wishes are extended from all his friends to Mr. Lawrence MacDonald of Fallis who is a patient in an Edmonton hospital.

BUCK LAKE NEWS

The Ladies' Club meeting will be postponed this month until Wednesday evening April 21st at 8:00 p.m. Don't forget - its at Vera Brzus.

Mrs. Margaret Roberts returned home from Drayton Valley Hospital on Monday, 29th a few days earlier than expected.

Jim and Rita Inglis, of Nakusp, B. C. were visiting with his brother and family the Norman Inglis', and her sister and family, Betty and Lawrence Bohning.

Spring is officially here -- wonder when its going to stop snowing?

Steve and Jean Hlvoy of Lacombe, and Hector and Marcia Latereau of Edmonton were out to participate in the mixed bonspiel, and visited with relatives and friends, as well.

Mr. John Hansen is still at Norbuck doing chores for Mr. and Mrs. Walter Ing, who are visiting with her sister at Entwistle.

Goldie Anderson accompanied Carl and Marion Bohning, of Alder Flats, to Wetaskwin March 29th to attend the funeral of the late Mr. Joe Klein.

If you are interested in joining a Weight-Watchers Club, phone

388-2207.

Many happy returns of the day to Mrs. Gladys Rivers on her birthday, Good Friday, April 10th.

Best wishes go out to Rudy and Vera Brzus on their Anniversary, Friday, April 10th and many more happy years to Henry and Lena Brown of their 46th Anniversary, Saturday, April 11th.

Norman and Joyce Parker received a very pleasant surprise last Saturday evening, March 27th when a surprise Anniversary Party was held at their home on the occasion of their 25th Wedding Anniversary, which by the way, is Friday, April 10th (Congratulation) Alice, their daughter, from Red Deer and Evelyn Watson were in charge of arrangements, and all managed to keep things quiet until cars started driving into the yard. Besides their daughter Alice of Red Deer, son Ray and his wife Marilyn, of Throne, Alberta, there were 42 relatives present.

Joyce Parker had a Birthday, Anniversary Friday, March 26th.

Henry Browns' had a set of twin heifer calves born on their ranch Sunday, March 28th.

PRESCHOOL CRAFTS

As I promised last week lets discuss some more ideas for crafts for the kids.

Once a child can communicate in speech, the things he paints or draws or makes with his hands will change in content and character. He will eventually probe deeper into the emotional fields at about age 5 he will not draw mommy, daddy, baby, the cat and dog any more, but things that have happened to him, his fears, imaginary situations.

As I mentioned before a child's art moods change as he progresses and gets older. A marker which doesn't work may lead to two situations the child may eat the crayon or leave the scene to play with a toy. The child will work into different mediums. For example the young painter will gradually work into other mediums. Poster paint works very good mixed with sand or mixed with liquid laundry starch for finger painting.

RUBBING
Smoothness roughness of texture surrounds children all the time but are not always noticed. Help your child to appreciate these textures by making rubbings on paper of brickwork, tree bark, tiles, etc.

COLLAGES
Children love experimenting in different mediums eg. paper such as cellophane, tissue, candy wrapping, corrugated. They also love collecting. These collections of "junk" can be saved in a special box and used to develop collages. Gluing and pasting these objects into paper can create interesting forms give a child a chance to experiment with texture and colors.

MODELLING
Modelling with clay, plastic or types of modelling doughs is favoured by youngsters 3 - 6 years. An 8-year-old likes to bank the clay about rather than modelling it but at least the child is getting the feel of the medium.

MASKS and CREATURES
Children like to develop 3 dimensional creatures such as enormous worms, made from stockings or puppets from socks. Masks can also be made from paper bags or paper plates. By gluing on different colored shapes of paper faces can be created. Large shopping bags can also be used to make masks and then can be worn over the head with cutouts for eyes, nose and mouth. This might be a grand way of entertaining children at a birthday party or a get-together.

STAMPART
Stamp art can be done using any object dipped in poster paint and then stamped on a piece of paper. Household objects like potato masher, strainers or forks make unique designs. Art gum erasers can be easily cut into shapes to use as stamp objects. A sponge (household variety) works well also, onions and potatoes can be also cut into shapes.

ROCK DOLLS
Children love collecting rocks. Paint happy faces, sad faces, animal faces or monster faces - anything you like on rocks. Rock dolls can be created by gluing rocks into bodies with hands and feet. Paint these also.

I'll end as I started; children seem to be filled with the desire to do something - so lets do something together.

Almost every girl would like to be married in June -- but any other month will do.

MARSH WORLD by ANGUS SHORTT Ducks Unlimited

LIVESTOCK AND DUCKS

On the short-grass country of southern Alberta some of the best duck-producing areas in Canada are found. Given water, these areas are prime nesting habitat for pintail, mallard, widgeon and teal. The Eastern Irrigation District established a canal irrigation system in the area for agriculture. Through co-operation of the E.I.D. Ducks Unlimited draws on surplus water from the canals to supply about 100 projects in the area. These in turn are of direct benefit to more than one million head of cattle.

BERRYMOOR NEWS

Mr. and Mrs. George Martin spent the week beginning March 21st at the home of their daughter Mrs. Jerry Jacobsen and her family in Edmonton. While there Mr. Martin celebrated his 82nd birthday on March 23rd. Happy Birthday, Grampa!
Cameron Campbell has been home for a few days from where

is employed near Grande Cache.

The Lindale 4-H Swine Club attended the Edmonton Rodeo recently. Despite the heavy fall of snow and slippery roads the trip was made without mishap.

Mr. and Mrs. Tom Horsman and family from Rocky Mountain House were district visitors recently.

The March meeting of the Berrymoor Three B's Club was held at the home of Mrs. Olga Van Ember on the 27th. Plans were made for coming events that club members will take part in; details of which will be announced later.

A number of young people made up a girls and boys basketball team and challenged the Breton High School girls team and also the boys team to a couple of games. These games were played in the Lindale School gymnasium on the evening of March 31st. The Breton High School teams were victorious in both cases but it was a lot of fun anyway.

Congratulations to both of the Drayton Valley hockey teams who recently won in their respective play-off series. Quite a number of our local residents were keenly interested in these games and attended faithfully.

Dennis Haight spent the weekend of March 27th at the home of his parents, Mr. and Mrs. Ira Haight.

A few crows have ventured back so perhaps spring is at long last on the way. After our unusually cold and snowy winter, it will be most welcome.

Cancer Drive This Month

On behalf of the Cancer Committee I could not begin to single out all the volunteers who in so many different ways help the Society in reaching its goals. These volunteers number in thousands and include those who serve the patients and their families at the clinic, who are helping promote our education program, as well as the many individuals and group assisting in the Society's memorial programs.

The largest number of volunteers belong to the fund-raising group. Without the particular involvement of each and every one of these people the Society's work could not go on.

So once again we request that you be ready with your donation when a canvasser calls. Make this month of April the best Cancer Campaign ever.

BUCK CREEK NEWS

We are happy to report that Lyle VanLoosen has returned home after having spent almost seven weeks in the Royal Alex Hospital.

Mr. and Mrs. Ben Anderson were pleasantly surprised last week when many friends gathered at their home for a house warming party.

A long time resident of Breton and well-known to many Buck Creek residents, Mr. F. Sutherland underwent surgery in the Royal Alex Hospital on Friday, April 2nd.

Mrs. Lil Roos was a member of the team to win the afternoon league in Ladies curling in Drayton Valley. The team was skippered by Marg, Neil, 3rd, Mrs. Lil Roos, 2nd, Mrs. Marilyn DesBrisay, and lead, Mrs. Lou Taylor.

Mr. and Mrs. Stan Melin went to Edmonton Thursday to meet Mr. and Mrs. Brian Thronson and Rocky (Linda Melin) of Fort MacMurray. Linda and Brian brought Rocky down to the Royal Alex Hospital for tests and treatment.

The annual Cubs, Scouts and Brownie pot luck supper will be held April 18th at 6:00 p.m.

Congratulations to Miss Bev. Galley and Mr. Peter Maines who became engaged this week. The wedding will take place in July.

There will be a meeting of the Community Club on the evening of April 15th at 8:00 p.m. All members of the Curling Club are asked to please attend this meeting to discuss the moving of the curling rink, etc.

I would like to take this opportunity to thank the Doctors in the Medical Centre for the care they gave me while I was in the Drayton Valley Hospital. I thank the hospital staff, Pastor Mohr, Father Lynch, also all the friends and neighbors for visiting me and for all the flowers, cards and gifts that I received.

Mrs. Hilda Dusterhoft 6p

We wish to express our appreciation for the many acts of kindness and sympathy extended by our many friends and neighbors during the recent illness and death of our beloved Mother. Special thanks to the Doctors who attended her, Pastor and Mrs. Donald Snell, the Pallbearers and the Ladies who served the lunch following the funeral.

The Law Family 6p

Another regular monthly meeting of the Community Interaction Congress was held in the County Committee Room on March 4th, 1971, from 1:00 p.m. to 3:45 p.m. with 14 members present, representing the Department of Agriculture, Department of Social Development, Department of Youth, County of Parkland, Memorial Composite High School and Parkland Regional Recreation.

Mr. Darwin Park chaired the meeting and Mr. Neil McDowell, Director of Counselling and Special Education for the County of Parkland, and Mr. Martin Goerzen, Guidance Counsellor at Memorial Composite High School, were on the "Hot Seat" to explain their roles in the County.

Mr. McDowell stated that his duties include both Special Education and the Counselling program for the County of Parkland. The Special Education program amounts to four opportunity rooms in Stony Plain, Spruce Grove, Seba Beach and Drayton Valley. Mr. McDowell looks after the placements and the program for these Opportunity Rooms. The vocational program in Stony Plain has had a fair degree of success, but will be phased out next year. The students will be integrated into the regular class rooms and will be given remedial assistance. This program is primarily for slow learners and slow achievers, but it is not so much that they are interested in vocations but have little scholastic aptitude and are not interested in book learning. Many of them have problems at home and at school and the modified program's purpose is to suit their needs and allow for such things as work experience. They are also given some industrial arts together with practical mathematics and reading. After a youngster has been tested for Special Education placement, a program is planned to suit the individual youngster. For example, a perceptually handicapped child often cannot look at the blackboard and see a row of words in sequence, so various remedial devices and exercises are used. These children are often highly verbal and are not limited academically as far as verbal learning ability is concerned, but have a difficult time with the written language.

Mr. McDowell supervises the counselling for 16 schools in the

County and sees a lot of clients himself. There are three formal Counselling positions in the County, Mr. Martin Goerzen, Sister Kroetch of Stony Plain and Mr. Katyal at Drayton Valley. These people have graduate training in group methods, interpersonal relations, personality theory and some have in-depth training in vocational guidance. There are seven teacher Counsellors this year who have taken an in-service program that Mr. McDowell adopted and implemented last year. They handle individual cases and Mr. McDowell goes over the cases with them. These teacher-counsellors work on a voluntary basis and are making great inroads, but if they encounter difficulty, it is referred to Mr. McDowell. It is observed that one theory may work with one child and not with another. A skilful interviewer can assist a client to better understand himself and therefore allow for better decision making. The High Schools are left primarily up to the Counsellors and Mr. McDowell tries to assist them on a minimum basis. The physical load is great with 5,200 children in 16 schools.

Mr. Martin Goerzen stated that Sister Kroetch has her Masters of Education and is a Certified Counsellor and Psychologist and that he is a Master of Education candidate and hopes to get certified next fall. They have major roles in similar educational work and group counselling. Sister Kroetch teaches 1/2 time and Mr. Goerzen has 4 days out of 5 that he can devote to his counselling part of the work. He feels that the school's administrative staff, the Librarian and the Counselling staff have to be support personnel for the teachers. The administration and Counselling staff must work as a team with the Principal making the final decision as to what their duties are, in consultation with the Director of Guidance.

Sister Kroetch has been freed to do individual interviews and anything else she has time for. There is far too little time to meet all the demands and much the time is spent with the Principal on programming. When the programming is more or less finished, then there is time for group counselling. They are hoping to have more time for counselling so that students who need to come on an emergency basis may do so. Mr. Goerzen has been asked to work on vocational guidance and a student is coming in to help him with some clerical work. They have had two meetings with Canada Manpower and are consulting with them as

to possibly setting up some kind of Youth Employment assistance. They hope to get a Minister and doctor to come in to the school and really have a brain storming session dealing with marriage and the students' suitability for marriage. The group counselling runs from very usual information to perception about oneself and how other people see you. They are trying to sow the seeds of mutual respect and understanding amongst students, staff, administration and teachers. They feel it is their function, where they can, to build this mutual respect and understanding, to get staff to listen more carefully to students and to each other.

Other than the group and individual work, Sister Kroetch and Mr. Goerzen are trying "Rap Sessions", where they hope to bring in specialists from the professional field to explain their profession and give the students an opportunity of asking questions. In their group sessions they are hoping to be able to give information on vocations and jobs, family living, study habits, drugs, etc. and to be a place for the students to come and talk so they can get help with their problems.

It was thought that it would be beneficial for the Department of Youth, Department of Agriculture and Messrs. McDowell and Goerzen and Sister Kroetch to work together on the career and employment problems of youth. Other areas of co-operation would be in drugs, drop-outs and run-aways.

The next C.I.C. meeting will be on April 1, 1971, from 1:00 to 3:00 p.m. in the County Committee Room with Messrs. Dave Briggs and Al Smythe of Canada Manpower on the "Hot Seat." Everyone is welcome to attend and hear the "Hot Seat" personalities give an outline of their function in the community and to join in the discussion.
